Terms of Reference for engagement of Young Professional under the Plan Scheme- 06.00.28- Expertise for Planning Process.

(i) Precise statement of Objectives:-

Power & Energy Division comprises of four units, Power, Coal, Petroleum and Energy Policy. Together these units review the energy situation in the country. This Division analyses various issues pertaining to the energy security of the country and examines technical, financial and economic viability of investment projects in the energy sector and their appraisal. Preparation of Five Year Plan and Annual Plan for the Energy Sector is key work of the Division. Besides these, the division allocate Plan fund and monitors schemes such as Rajiv Gandhi Grameen Vidyutikaran Yojana and Accelerated Power Development and Restructuring Programme.

The Planning Commission proposes to employ a full time Young Professional to handle the work in the Power & Energy Division.

(ii) Outline of the tasks to be carried out:-

1. Preparation of financial reports and background material in the matter related to power sector.
2. Preparation of database for reviewing/monitoring of schemes such as Rajiv Gandhi Grameen Vidyutikaran Yojana and Accelerated Power Development and Restructuring Programme and preparation of their evaluation/impact reports.

(iii) Schedule for completion of Tasks:-

No time frame can be stipulated for these works of the Power & Energy Division, it requires extensive coordination with State Governments meetings for Financial Resources and Annual Plan Discussions. However, as and when these meetings are fixed with the directions from superior authorities, the work will required to be executed in a time bound manner. Similarly the examination of the various proposals submitted by State Governments handled by the Power & Energy Division will need to be processed quickly by the Young Professional for appropriate decision by the superior authorities.

(iv) The support or inputs to be provided by Planning Commission to facilitate the Consultancy:-

The Young Professional in the Power & Energy Division will be provided guidance by Joint Adviser of the Power & Energy Division.

(v) The final outputs that will be required of the Consultant at the end of the consultancy period should be specified.

It is difficult to specify the final output of the Consultant, Power & Energy Division.

Annexure V
