

No.1/14/2005-Tpt.
Planning Commission
(Transport Division)

Subject: Consultant for Transport Division in Planning Commission.

“We require a Delhi based and confident individual, having a post graduate degree in Economics/Social Sciences/Mathematics/Statistics or MBA. The candidate should have excellent communication skills – both oral and written, very good analytical ability & presentation skills and knowledge of computer applications. Knowledge of infrastructure/transport sector would be an added advantage. The starting salary would be Rs.18000 for a fresh post graduate. Higher remuneration could be considered, keeping in view, educational qualification and number of years of work experience. Recently retired Govt. servants can also apply. Their remuneration would be in accordance with DoPT guidelines. All those who have applied earlier in response to this advertisement, need not apply again” **The last date for receiving applications on u.sadhvani@nic.in is 14th August, 2008.**”

(Urvashi Sadhwani)
Director (Transport)
