Dear Smt Jayaseelan,

Kindly refer to your DO letter No.Q-19019/2/08/LEM/LP(Vol.II)(Pt) dt 24 August, 2009 regarding setting-up of "State Skill Development Mission" for Manipur State.

2. I am pleased to inform you that the State Planning Deptt. have constituted the State Level Skill Development Mission—vide their orders dt 04-05-2009 (copy enclosed). The Mission has held one meeting and constituted three Sub-Committees chaired by Commissioners/Secretaries to the Govt. to review the facilities available in the following three sectors:

- (i) vocational training,
- (ii) (ii) curriculum in schools and
- (iii) (iii) IT & ITES.

3. The Sub-Committeess will also identify the weak areas and recommend measures, including PPP arrangements, for development of requisite skills within a time-frame. Reports of the Sub-Committees are expected to be received within 30-09-2009. We propose to take follow-up action on the recommendations thereafter.

4. In the interim, the State Govt. is working with IL&FS for training educated boys and girls from Manipur and placing them in industrial units outside the State. The target is to train 5000 persons. 30 persons have been trained and placed in Bangalore based companies. We are also in the process of finalizing MOUs with two other private companies for development of skills which will enable our boys and girls to find employment. The State Govt. proposes to subsidize the skill development programmes.

With regards,

Yours faithfully,
D.S. Poonia
