Instructions For Supervisors & Enumerators

General Instructions

1. The survey is to be carried out in **eight-hourly shifts** continuously for **2 days** (48 hours) or **7 days** (168 hours) as the case may be.
2. Each enumerator should be issued one '**O-D Schedule Booklet**' along with one '**Transit Sticker Booklet**'.
3. After the completion of enumeration, **one Transit Sticker should be given to the driver/crew** with the advice to paste it on the front glass of the vehicle to indicate that it has already been enumerated.

If so, he will **simply record the vehicle number** and **write AE** below to denote 'already enumerated' in this trip and leave other columns blank. If the vehicle is on a different trip, complete enumeration will be done.
