

(i) **Sustainable Urbanisation:** In the second Strategic Economic Dialogue (SED) between India and China, the Working Group on Policy Coordination which is being serviced by the Planning Commission has decided that besides signing of a MoU on Sustained Urbanisation, both side would carry out a joint study on this subject. We would be developing the study proposal in due course and perhaps can entrust this study as out-sourcing of professional activities to Organisation like National Institute of Urban affairs (NIUA) which functions under the Ministry of Urban Development.
